#### **4th Annual Dubois Antler Rendezvous, May 12-16, 2008**

Dubois, WY - Soon the largest antler rendezvous in the world will be held in Dubois, WY, May 12-16, 2008 in the Dubois Town Park. No, it's not the largest free roaming elk herd in the world that live in that neighborhood, but it's the 4th Annual Dubois Antler Rendezvous 2008, sponsored by the Dubois Chamber of Commerce.

The event, which is located about 80 miles east of Jackson Hole, WY, attracts antler dealers and wildlife enthusiasts from around the globe. During the week of May 12th-16th, the public, and dealers alike, will be able to choose from hundreds of top-quality elk, deer, moose, buffalo, and caribou antlers, heads, hides, horns, antler arts & crafts, rustic furniture, and skulls at wholesale prices. The antlers are naturally shed each year and can be found in the wintering grounds surrounding the Dubois area.

There will be many activities during this exciting rendezvous in the Town Park. Food and beverages will be available along with authentic entertainment. Make your plans now to bring your family and step back in time - come be part of this true western experience! Take a short drive to Dubois and join us during daylight hours, at the Antler Rendezvous and Sale -- it's rustic, beautiful -- and all goods are wholesale!
