Adventure Vacation Packages Offer Magnificent Winter Wildlife Viewing in Wyoming's Wind River Country.

Wind River Country, WY – Adventure vacation packages in Wyoming's Wind River Country this winter surround you with nature and the magnificent wildlife in this area. For individuals and families the many attractions and unparalleled scenery of the Wind River Region are calling. Some of the packages can be enjoyed throughout the season, while others are only available during certain dates. Following is a brief description of each special vacation package wrapped in the wonder of Wyoming's Wind River Country. For complete listings and logistics, visit <http://www.wind-river.org> or call 800-

645-6233 for a free winter vacation packet.

What better way to pamper yourself and enjoy part of the #1 Best of the West, Continental Divide Snowmobile Trail than this Spa Mountain Escape package for two on Togwotee Pass. It includes a three night stay at the luxurious Brooks Lake Lodge, all meals, afternoon tea, snowmobile rental for two full days per person plus round

trip transportation to and from Jackson Hole, and a one-hour spa treatment per person.

Another wildlife tour is arranged by Triangle C Guest Ranch. This journey starts in Jackson Hole. After breakfast the group will drive north through Grand Teton National Park to the south entrance of Yellowstone National Park. There you will start your "Triangle C Yellowstone Excursion" in the comfort of a luxurious Ford Excursion on tracks-powerful, spacious and ready for adventure. There will be stops along the way for viewing and photographing the scenery and abundant wildlife. Plus you can take walking tours through the various geyser basins. Let Triangle C Ranch's Exclusive Yellowstone Excursion carry you away from it all in luxury and style.

Join Taylor Outfitters in January or February on the Northern Range of Yellowstone National Park. Winter in Yellowstone is the season to experience the magic of wintering wildlife in this frozen landscape. In Lamar Valley, you may look for wolf packs as wolves hunt their prey in full view from the roadside or from ski trails. A full array of wildlife from elk, bighorn sheep and bison to otters, coyotes and wolves may be viewed along the Northern Range in their native habitat. In addition, the Lamar Valley is a birder's paradise of raptors including bald and golden eagles, numerous hawks and owls.

A detailed description of these three and more amazing wildlife packages can be viewed on <http://www.wind-river.org/coupons.php> . For more vacation information in Wyoming's Wind River Country, go to <http://www.wind-river.org> or call 800-645-6233 for a free winter or summer vacation packet.
